St Patrick's Strategic Pastoral Plan and Vision 2023-2028

Last year we invited as many as possible to answer three simple questions relating to our Cathedral parish and community. You may remember filling out answers to –

- What makes you feel at home at St Patrick's? What is life-giving for you?
- The Church is built on people gathered in faith. How can we better serve you?
- Our mission is to bring the Good News to others. How can we do this?

The Parish Council took those replies and spend much time reflecting, praying, discerning and exploring the possibilities for parish that flow from them. Over the time we discovered that we were essentially exploring the essence of who we are. We discovered that profoundly we were seeing the way we **BELIEVE, BELONG AND BECOME** within ourselves alongside the reason we gather. That as we live out our lives in community we encounter change within ourselves, those around us, and within the world itself. We start to hear a God calling us to **BE** more than we are. To open our hearts *to Listen, Encounter and Discern* the Spirit that is alive in our community and how to support the movement to grow, and release the energy that is a living God amongst us.

In essence this Strategic Plan and Vision has come from your input, your hopes and your desires for our community into the future. Thank you for your honest and thoughtful participation. We ask that everyone take time to reflect and ponder this document. We hope that it will touch upon the desires of every member of our community.

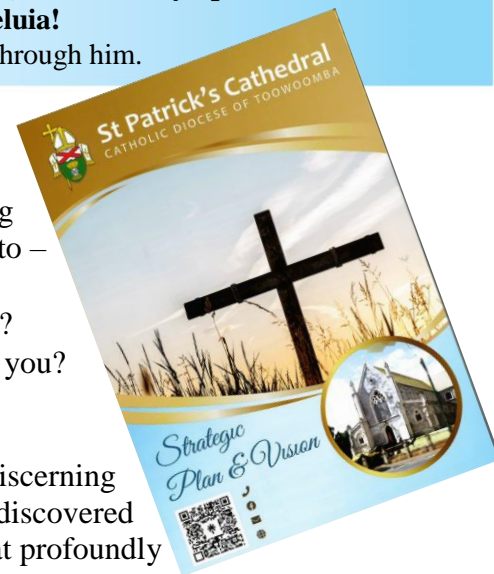

In the next couple of weeks we will be seeking 5 new members for the Parish Council. We sincerely hope that this Plan and Vision will inspire you to want to be part of engineering what our parish can be in the next 5 years.

There are areas addressed in this Plan and vision, please help us make it much more than just words on a page. To do this we need your support and encouragement.

WE CAN ACHIEVE MUCH MORE TOGETHER.

God Bless,

Fr. Michael, Fr. Nathan, Sharon Collins, Anna Rees, Rex Miguel.
