### Finance Report – Financial Year 2018/2019

As you will have noticed around and inside St Patrick's there has been much work done over the last year – painting of office and Cathedral Centre, new liturgical banners, some new lighting, new computer system in the office, use of lighting behind reredos and front windows. These endeavors have been instigated to assist the life of the parish to continue to be functional, inviting, welcoming and to deepen a sense of prayer and presence. The cost has mainly been sourced from money held in reserve, but as always there is a need to try to maintain as balanced financial situation as possible.

St Patrick's Cathedral's overall operations are divided into different areas for easier financial cooperation. These are: Cathedral, Parish House, Parish Office, Cathedral Centre/Bingo, Units (Ave Maria and Hill Street) and Rentable Office Space. The Cathedral's primary source of income is planned giving. This income lessens each year, but is truly the backbone of our endeavors and shows your willingness to be part of our continuing mission. The Parish House runs at a loss each year, as there is no income as such except for a contribution from the Diocese to cover the expenses of weekly clergy lunches and visiting clergy. There is the expense of a cook/cleaner – Jess, three days a week. Essentially the Parish Office runs at a loss, with contributions from the Cathedral Centre/Bingo activities used to pay staff and operational expenses, however on the plus side the Cathedral Centre and Bingo raises substantial monies in order to balance our expenses each year. This is assisted by the income of rent from the units. The units at both places are purposely kept at a low and affordable rent and have their associated maintenance expenses.

Unfortunately this coming financial year's budget (2019/20) will be affected by the reduction in rent usually sourced from the main vacant office area and the building that was previously "TRAMS". Both buildings were occupied by the Toowoomba Catholic Schools Office, but with the construction of their new office they have sufficient room to accommodate their entire staff. We have been fortunate in having the Cancer Council renting the premises until the end of this year. However currently there has been little interest by new tenants, as at the moment it is a very competitive market.

Should you wish to see a more complete statement of our 2018/19 financial reports, don't hesitate to enquire at our parish office. The current members of our Financial Committee are: Bob Wiemers, Celia Waters, Shane Kennett, Kerry Shine, Basil Dass, Jim Whitney, Kate Gilloway and myself – if you have any questions or ideas, please talk to one of these.

### ***How can you help our parish?***

Remember us in your will, *help find and promote bookings for Cathedral Centre functions*, help find people/businesses to rent our larger spaces, *volunteer to assist*, increase your planned giving, *give a one off donation when you have a windfall*, making use of the pay point each week, *take a friend to enjoy a night of Bingo*, suggest some fund raising ideas.

Please keep our financial needs in your thoughts as we strive to be a community that makes a difference.

God Bless, Fr. Michael
